----------------	----------------	-----------------------------------

1) B.U.C.S BIDDING:

- a) After an ongoing email conversation between J.E and the BUCS staff, it was confirmed that Loughborough Students Archery Club will not be hosting BUCS. Instead the committee were told that it will be held in the Telford International Centre instead.
- b) J.E has notified SDC to cancel the booking of the Sir David Wallace and Victory Halls.

2) LOUGHBOROUGH B.U.T.T.S:

- a) Due to a Netball event taking place at the same time, Loughborough's B.U.T.T.S competition has been moved to the 19th November.

3) OTHER COMPETITIONS:

- a) The County Clout will take place on the 16th of October.
- b) The Hinckley Portsmouth will take place on the 23rd of October.
- c) The EMAS Champs will take place on the 20th November.

Action: *A.C will send an email out to participants before each competition to remind them to arrive on time.*

4) BEGINNERS:

- a) The club coach, Maggie Squires would like every experienced member to learn a specific practice before giving advice on how to shoot to a novice.

Action: *J.E will send notes on how and what to teach novices, written by M.S.*

- b) To.C pointed out that the website needed updating, although M.F updated the site before the meeting, he said that he would try to keep it up to date for frequently.

- c) E.H told the committee that the beginner's social would take place on the 20th October, and that it would mainly consist of a pub quiz, starting at J.C's. It was noted that Wednesdays would be a busy day for a social.

5) AU BAZAAR:

- a) The AU Bazaar will take place on both the 8th and the 9th of October from 9am – 4pm, during the Sunday session, there will be a “have-a-go” trial running at victory hall until 3pm.

Action: *The committee should do their best to turn up to both bazaars.*

J.E will be reminded to send an email later on to ask the other members of the club for help.

6) I.M.S:

- a) T.C explained that I.M.S Staff were content with how the archery competition was ran, but would like to make this year's competitions earlier (Possibly during November).

Action: *J.W will find out if there are any specific dates that would be suitable for I.M.S.*

7) CLUB KIT:

- a) B.C explained that he was a little sceptical on going through the same company as last year (Custom S.C.R) due to a complete halt in communication on their part. B.C asked if the other members of committee could help him look for a kit manufacturer.
- b) M.F suggested that the white kit manufacturer Wayne Mathews would be a possible candidate for making the new black kit, but should wait a while longer for the outstanding order to arrive before asking for a quote.

Action: *B.C will look into more kit manufacturers and have a good idea on who to go with by the end of the month.*

8) ARCHERY TOUR 2012:

- a) To.C made the point that there is decreasing interest in the Isle of Man Tournament and that other clubs in the B.U.T.T.S league are considering a tour in Amsterdam. After a show of interest in the meeting about this tour, it was decided that more information about it should be obtained before deciding if to go.
- b) One positive side with choosing to go to Amsterdam is that deposits can be sent early 2012 instead of the Isle of Man deadline: Late November.

Action: *The committee will look for more information on the Amsterdam tour before choosing between it and the Isle of Man.*

9) A.O.B:

- a) J.E arrives at this point and is reminded that he should send another club email out to explain to the members what is happening this year.
