### 1) BUTC:

- a) A.C confirms that two teams are possible, but is still unsure if non-recurve styled archers are allowed to participate.

**Actions:** *To.C will check if barebow archers are allowed to participate.  
A.C will send an email to the club explaining BUTC.  
A.C will specifically ask Laura Church and Alex Hill, who may be able to drive.*

- b) It was agreed that the team should be picked by Wednesday 7<sup>th</sup> March.
- c) Since spectators are encouraged, the committee may be bringing whoever wants to come.

### 2) B.U.T.T.S CHAMPS:

- a) Every club is limited to 15 archers per team; To.C has a list of 10 archers he wants to come; allowing 5 less talented archers to join.
- b) Tom Goodwin has asked if he can participate. To.C said due to the tight limitations (explained above), the only possibility of him being able to shoot if he turned up on the day and was able to replace a freed spot.

**Actions:** *To.C will check if his list of 10 people still want to participate in the championships.*

### 3) AMSTERDAM:

- a) J.E explained that there were 8 people attending, since a few of these people are either longbow or barebow archers, it could make the team quite interesting.
- b)

### 3) OUTDOORS SHOOTING:

- a) J.E explained that due to all the rugby matches happening on Towers Pitch, he was told that it would not be possible to shoot outdoors before Easter, unless the club made a trip to Merlin's Archery Centre.

### 4) WEBSITE HOSTING:

- a) M.F told the committee that James Cowie had refreshed the contract with streamline.net for another 2 year period; this was done without the knowledge of the committee and could complicate things when trying to move to R.M's service.
- b) R.M explained that it was preferable to move away from the current company, because he would like to add various features (such as administrative accesses) to the website.
- c) To.C reminded everyone that the Athletic Union planned on organising a website for each AU club themselves, so the committee should check that this is not going ahead before continuing with these plans.

### 5) I.M.S:

- a) J.W confirmed that the IMS matches have been booked in Victory Hall for the 25<sup>th</sup> April, and that the rest of the details had to be confirmed externally.
- b) Whilst on this subject, there was confusion over the planned Superstars event, which usually includes Archery as one of their sports. J.E explained that the first round had already been completed, so it would be unlikely for an archery event to happen.

### 6) COMMITTEE CHANGEOVER:

- a) To.C explained that the AU will make the changeover official sometime before Easter, which may involve some of the members to go to a meeting.
- b) The Committee social was discussed and it was suggested that if one was to happen, it would take place after Easter.

### 7) BARBECUE:

- a) The club barbecue will be on the 11<sup>th</sup> March. £4 each person attending is owed to J.W.
- b) The barbecue belonging to the club is in need of fixing, everyone suggested that A.C should fix it to celebrate his new role. (Disposable ones will probably be ordered.)

### 8) A.O.B:

- a) B.C told Ta.C that David Langston still had claims he wanted to submit, and suggested that he should be reminded through an email. Any claim from BUCS should be put through the AU.
- b) To.C has rewritten the role descriptions for each member of the Committee (of which the new members he will add to the mailing list), and plans to send these over.
- c) To.C also plans on making a FaceBook committee page, to make organising events and reminders easier.

**Actions:** *To.C will send an email to the rest of the committee about the new role descriptions.  
 Ta.C will send an email to the club asking people to submit claim forms they may have.  
 To.C will create a FaceBook committee page.
